

April 15, 2026

Dear Shareholders,

I am truly proud to announce that, following the completion of an extensive technical analysis of our tokenization platform by our highly experienced partners, we have reached a significant milestone.

We now move forward with full confidence as our legal partners commence the comprehensive legal review required for the final acquisition phase.

The official launch of the platform is scheduled for the first week of June 2026 — a moment that will mark a defining achievement in our journey.

I will personally ensure that you are kept fully informed, with detailed updates on each of our next strategic steps as we advance toward the realization of our primary objective.

Allow me to once again express my sincere gratitude for the trust you have placed in me and in our vision.

With my best regards,

Giuseppe Zeno
President
